

Vision Statement

Our intent at St Barnabas is to enable all of our students to receive the very best careers education possible, guided by the Gatsby benchmarks and National Curriculum. We want every student to gain access to the best possible information, guidance and experiences during their time with us before they move onto higher education.

Milestones and Learning Outcomes

Key Events and Experiences

Year 5

PSHE Lessons - Dreams and Goals Unit of Work:

- ★ Investigating jobs and careers - know about a range of jobs carried out by people and explore how much people earn in different jobs
- ★ My dream job and the steps to get there

Year 6

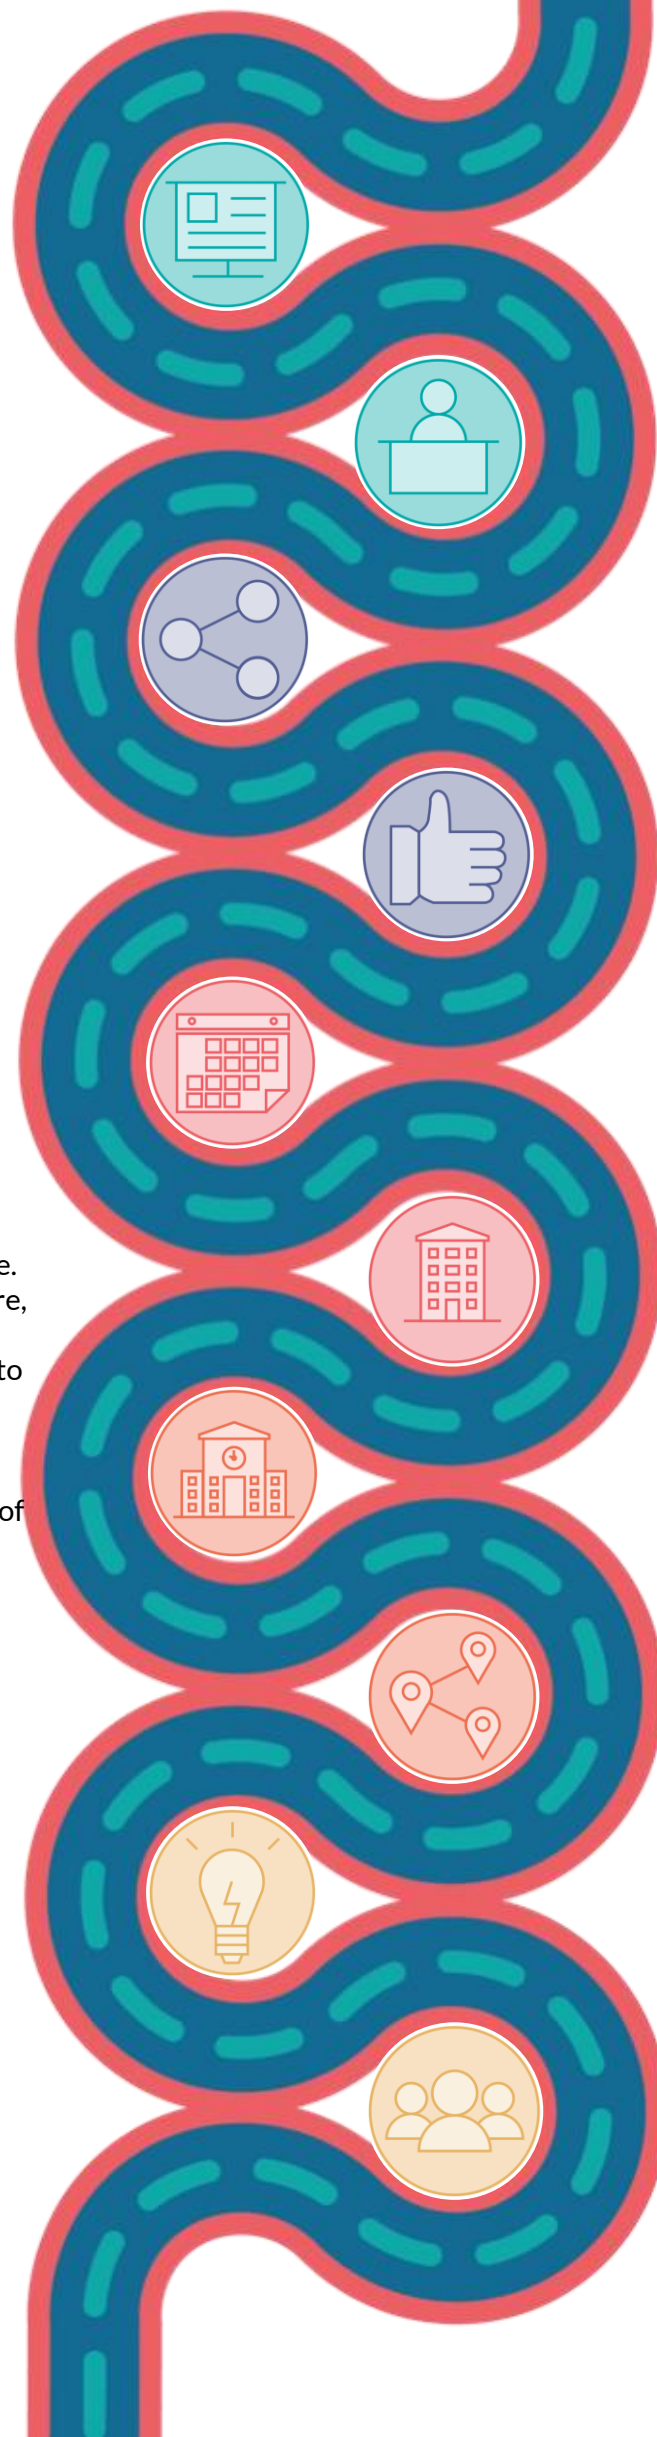

PSHE lessons - Dreams and Goals Unit of Work:

- ★ Personal learning goals
- ★ Steps to success

Year 7

Learning about employability skills and aspirations through PSHE and key events and experiences at school:

- ★ Identifying that dreams and goals can change over time.
- ★ Identifying some of the skills that may benefit my future, including employment.
- ★ Use my experiences, including mistakes and setbacks, to make appropriate changes to my plans and behavior
- ★ Explain how responsible choices enable me to move towards my dreams and goals
- ★ Using labour market information to explore the world of work.
